

Dating Coaches NEEDED!

TO WORK WITH AUTISTIC ADULTS

If you....

- want to receive training and support as an *affirming dating coach* for autistic adults
- currently or previously worked with autistic adults
- can commit 1-2 hours/week to participate in a research study....

...then fill out our brief interest form and we can send you more info!

**You can also email us at
LUNAlab@umassmed.edu**

This work is led by Dr. Crehan at UMass Chan Medical School.
Study ID: STUDY00002780
Funded by Bailey's Team for Autism
