Student: How to Take the MAP Certification Knowledge Pretest

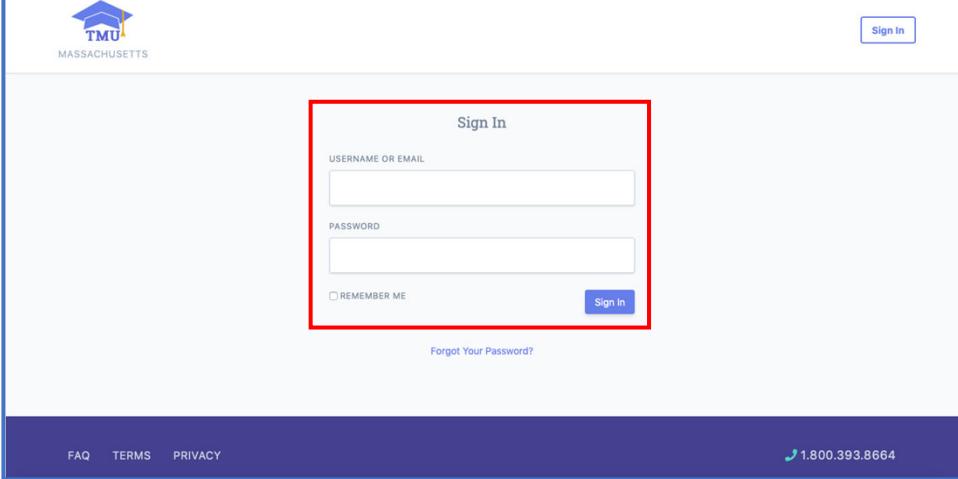

Log into: <https://ma.tmuniverse.com/>

Hi my name is Jasyn from D&SDT – Headmaster. Today I'm going to show you how a student will take the MAP Certification Knowledge Pretest

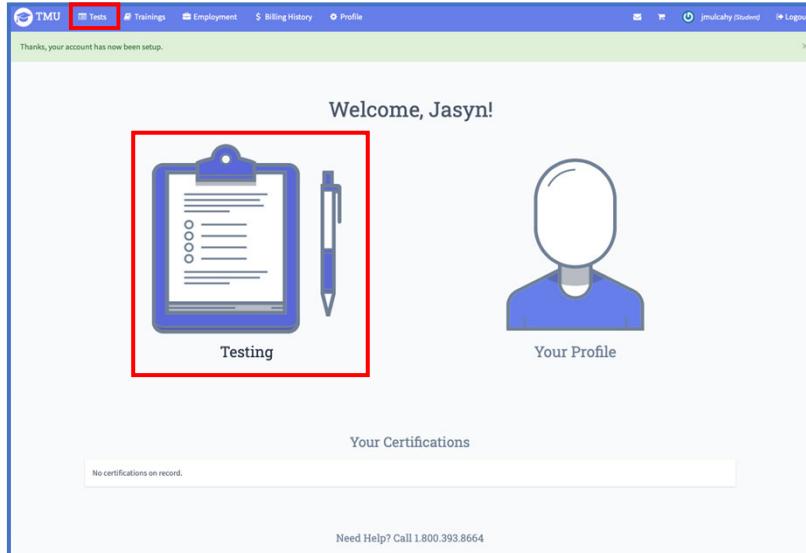

If you follow the link in the previous slide, it will take them to this home page

To log in they'll click the 'Sign In' button in the upper right-hand corner.

The image shows a sign-in form for TMU Massachusetts. The form is contained within a blue-bordered box. At the top left is the TMU Massachusetts logo, which includes a blue graduation cap icon and the text 'TMU MASSACHUSETTS'. At the top right is a 'Sign In' button. The main form area is titled 'Sign In' and contains two input fields: 'USERNAME OR EMAIL' and 'PASSWORD', both with placeholder text. Below these fields is a 'REMEMBER ME' checkbox and a 'Sign In' button. A red box highlights the 'USERNAME OR EMAIL' and 'PASSWORD' fields. At the bottom of the form is a link 'Forgot Your Password?'. The footer of the page is a dark blue bar with links for 'FAQ', 'TERMS', and 'PRIVACY', and a phone number '1.800.393.8664' with a telephone icon.

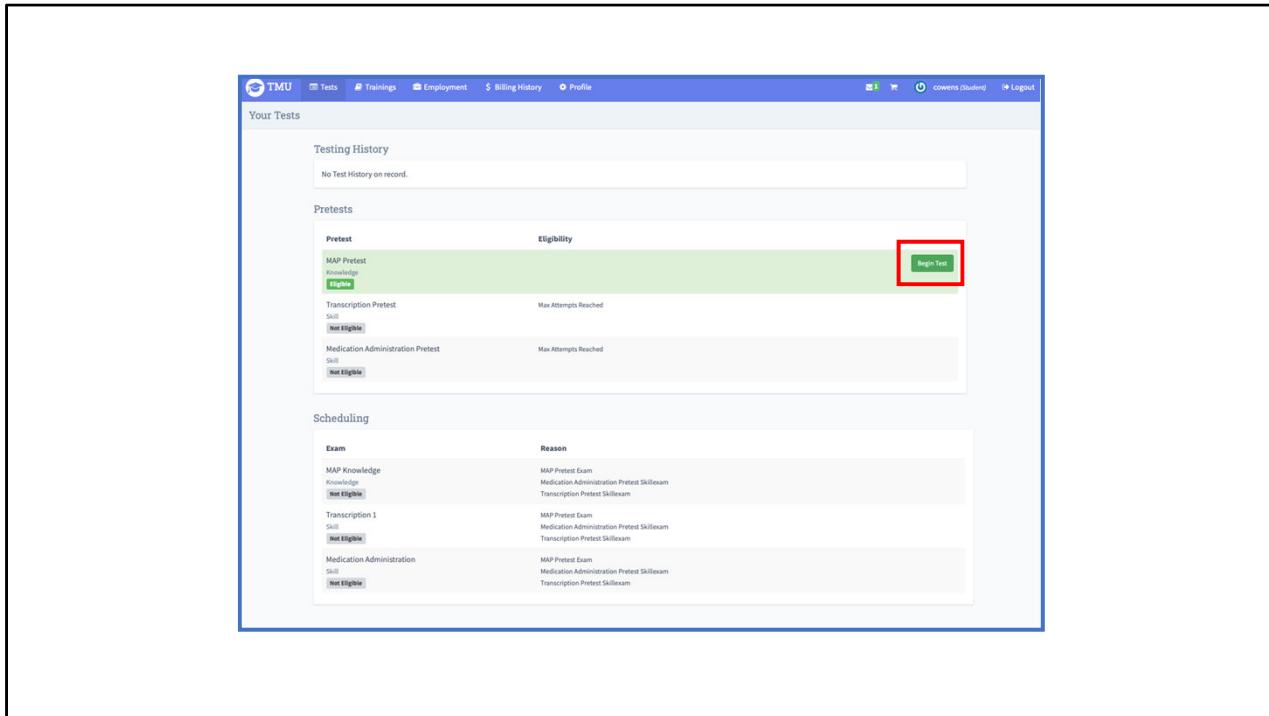

A person will enter their log in information and click 'Sign in'

This is the student home page

From this home page, the student will click on either the 'Test' tab at the top of the page or the "Testing" box in the middle of the page

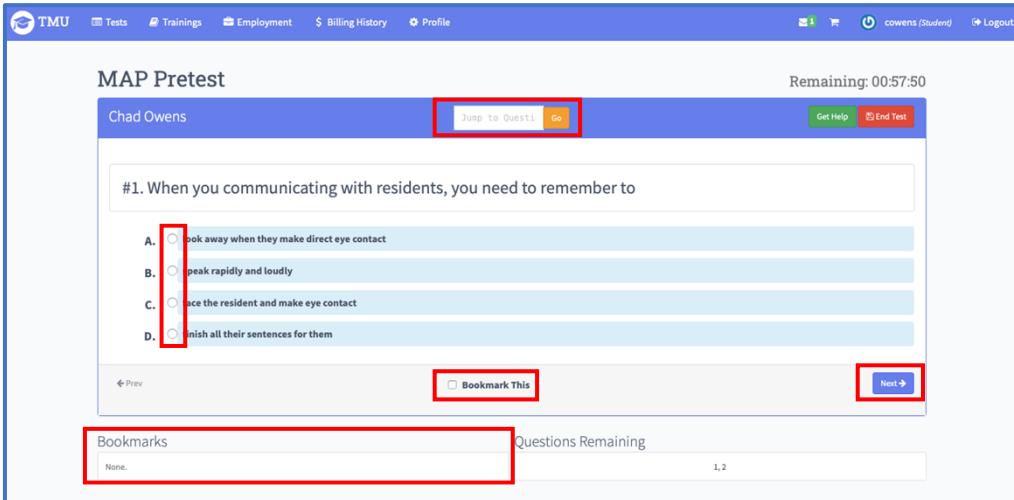

Which will bring them to....

This page

Under the “Pretests” section, the student will find “MAP Pretest”. This is the MAP Knowledge CBT Pretest

To begin the pretest the student will click ‘Begin Test’ on the right side of the Pretest section

After the student selects “begin test”, the screen will look like this

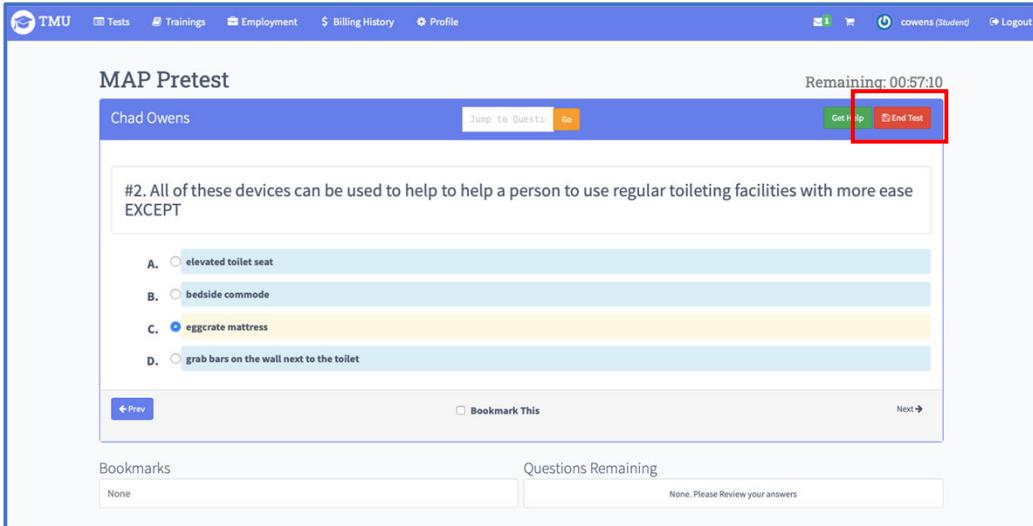

To choose an answer, the student will select the bubble next to their selected answer

If the student is not ready to answer the question and would like to come back to it later, they can “bookmark” the question by checking the ‘Bookmark This’ box in the middle of the page

In the ‘Bookmarks’ section in the bottom left, if the candidate has bookmarked a question, a clickable number will appear in the white space so the student can go back to that question

The Student can move to the next question by choosing the ‘Next’ button in the lower right corner

If a student needs to jump to a question, they may enter the number into the ‘Jump to Question’ box at the top of the page and then click ‘Go’ - A student may use this option if they did not bookmark a question and they knew the number they had skipped.

Jump to Question Go Get Help End Test

#2. All of these devices can be used to help to help a person to use regular toileting facilities with more ease EXCEPT

A. elevated toilet seat

B. bedside commode

C. eggcrate mattress

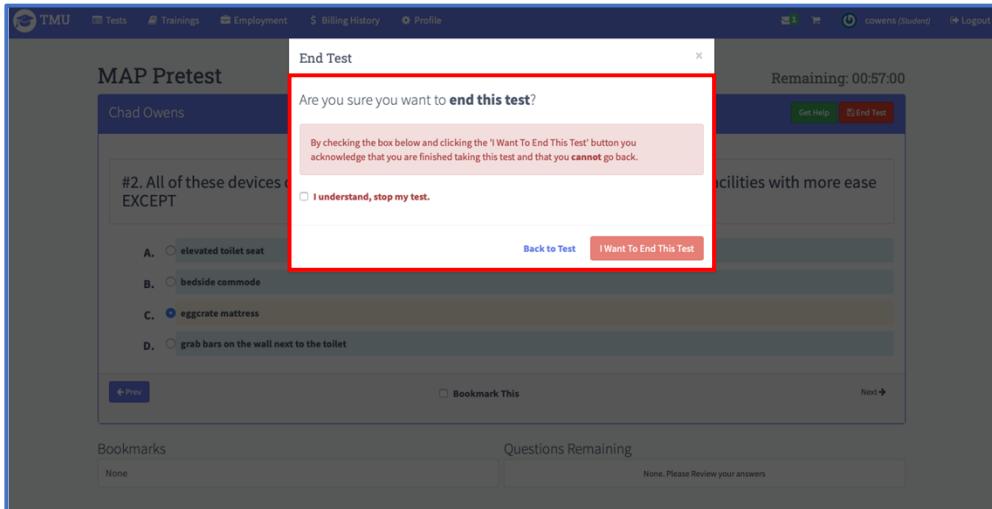

D. grab bars on the wall next to the toilet

← Prev Bookmark This Next →

Bookmarks Questions Remaining

None None. Please Review your answers

When the student answers the last question the student will click on 'End Test' in the upper right corner of the screen

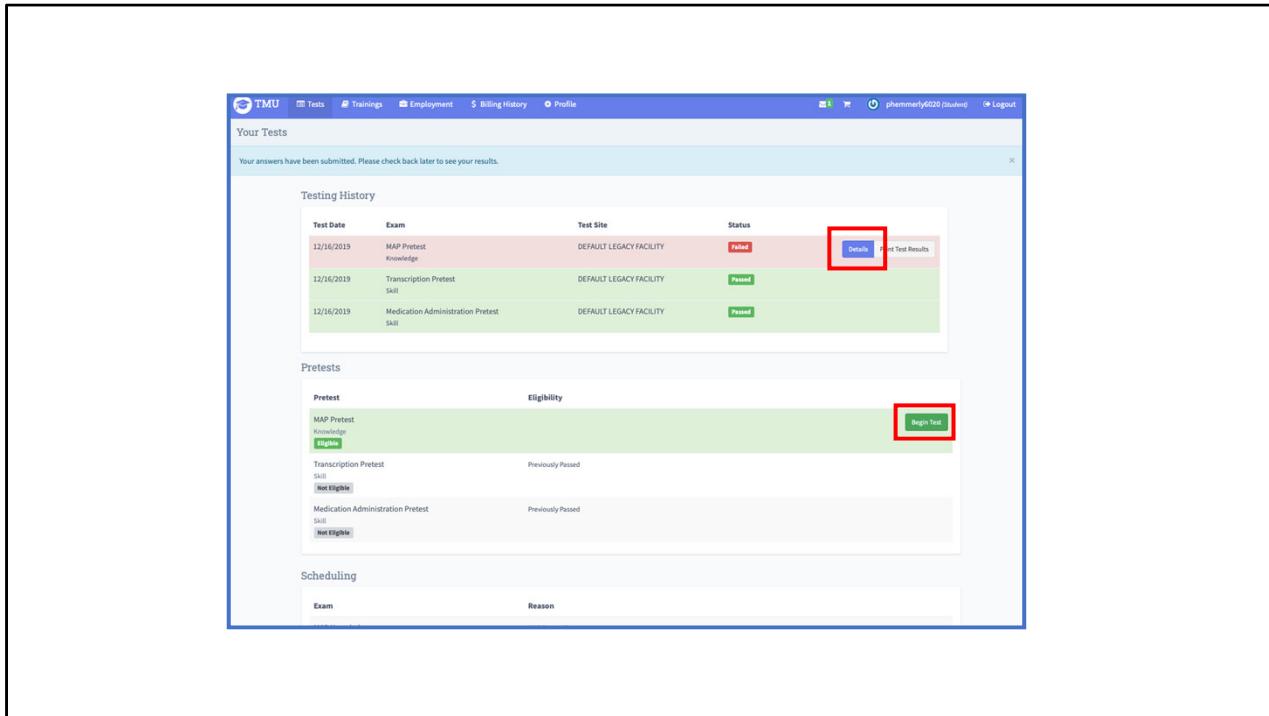

This box will pop up

The system will double check that the student wants to end their test. The student will have to verify that they want to end or stop the test by checking the box 'I understand, stop my test' on the left side of the box

After checking the box, the student will click 'I Want To End This Test' in the lower right side of the box

If the student would like to go back to or continue their test they will click 'Back to Test'

Upon ending the exam, the student will be taken back to the 'Test' page

The blue bar across the very top of the screen will inform the student that their test was submitted properly

If the student would like to take an exam over again, regardless of pass/fail, they have the option to take the test over again by clicking 'Begin Test' next to the MAP Knowledge test in the 'Pretest' section.

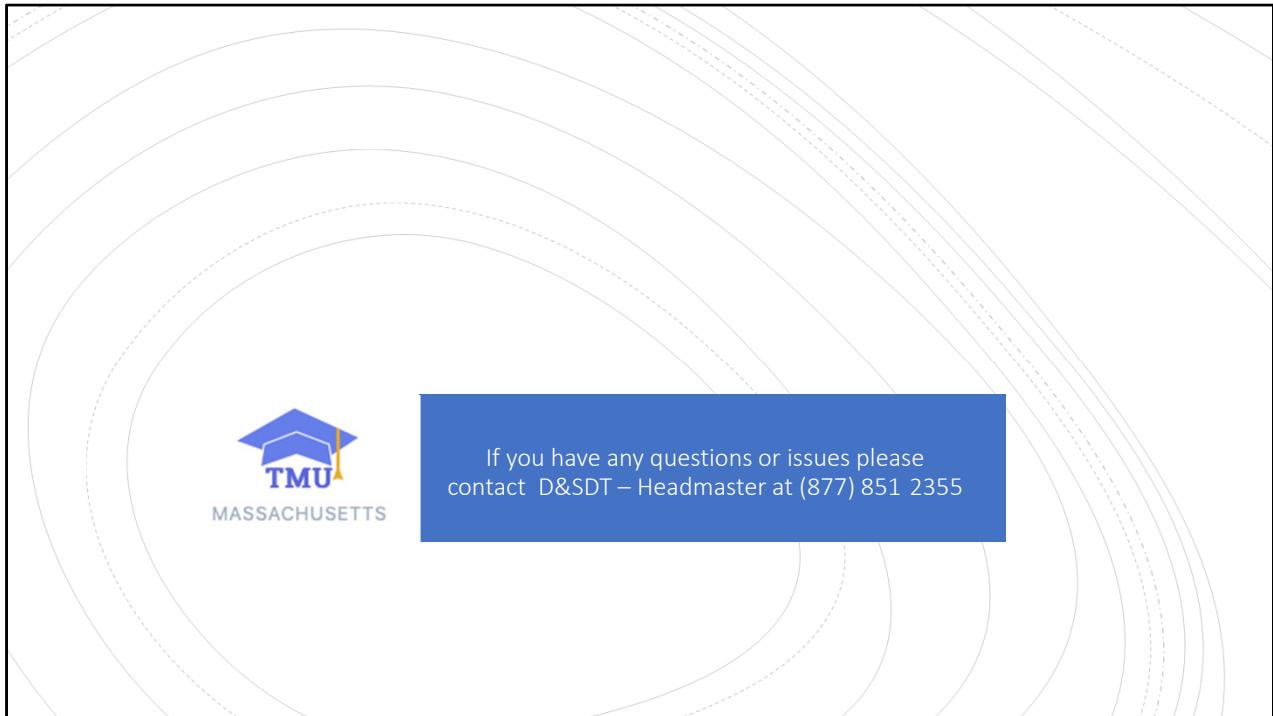

If the student would like to review their test results they will click 'Details' next to the exam in the 'Testing History' in the upper right side of the page

The screenshot displays the TMU software interface, specifically the 'Knowledge Detail' page for a student named Chad Owens. The page is titled 'Knowledge Detail Passed' and shows that the student has passed the MAP Pretest exam with a score of 100.00%. The 'Test Details' section includes fields for Student, Exam, Score, Status, Start Time, End Time, Audio, Hold, and Archived. The 'Test Event' section provides details about the test, including ID (#1), Discipline (Medication Administration Program), Test Date (01/01/1900), Start Time (12:00 AM EST), and Test Site (DEFAULT LEGACY FACILITY). The 'Score Info' section shows a status of 'Passed', a score of 100.00%, and a breakdown of correct answers: Total Questions (2), Correct Answers (2/2). A chart titled 'Correct Answers by Subject' shows a 100% completion for 'Pretest 1'.

This screen will appear

The “Details” screen

It will show the students test results
