Hi, my name is Jasyn I'm from D&SDT – Headmaster. And today I'm going to show you how to view the registry.

If you follow the link from the previous slide, it will take you to this home page

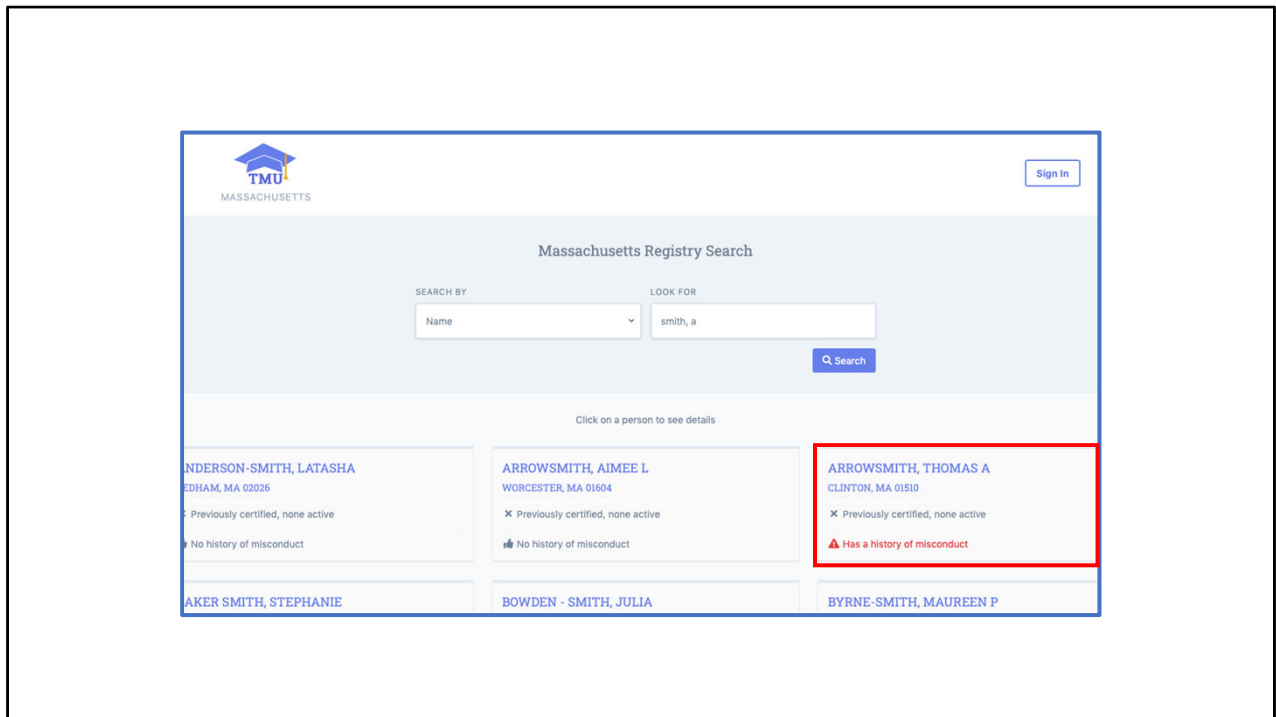

In order to view the registry, you cannot be logged in.

To view the registry, from the homepage click on “Search Massachusetts Registry”

This page will pull up – You can drop down the ‘Search By’ box and search by Name, Social Security Number, Registration Number, and Misconduct

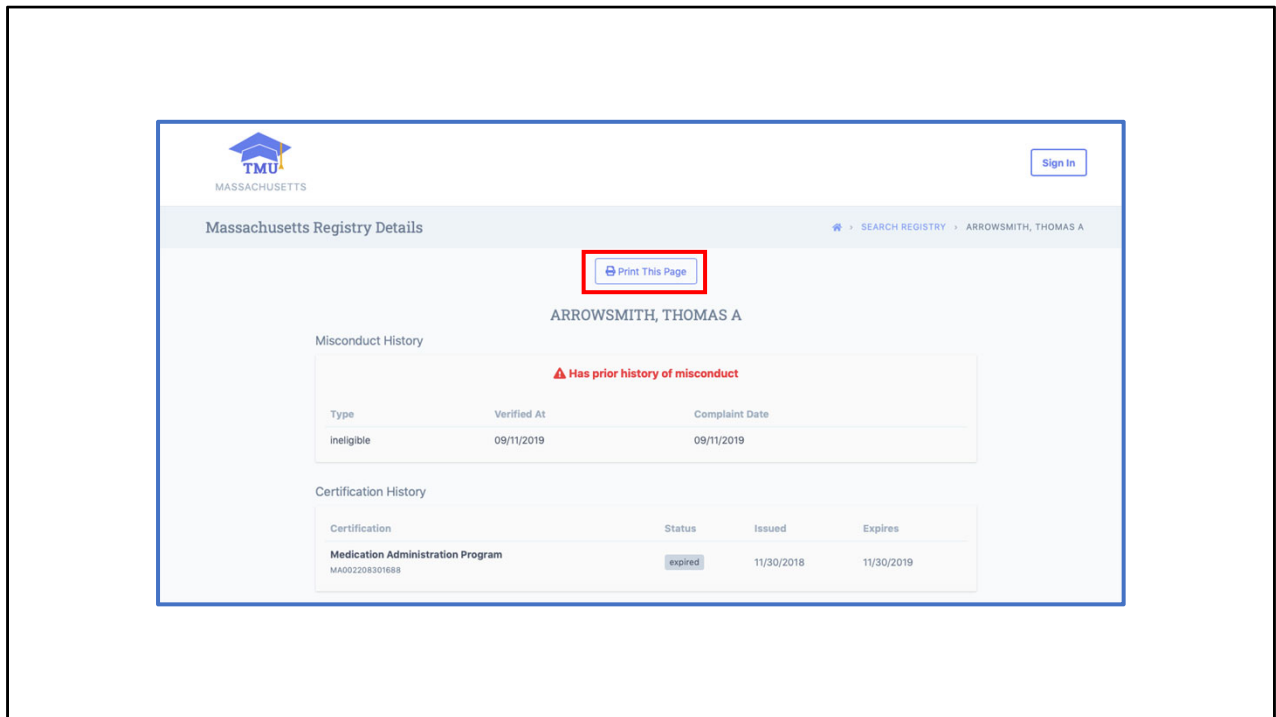

If you are searching by name you must enter a last name and at least a first initial

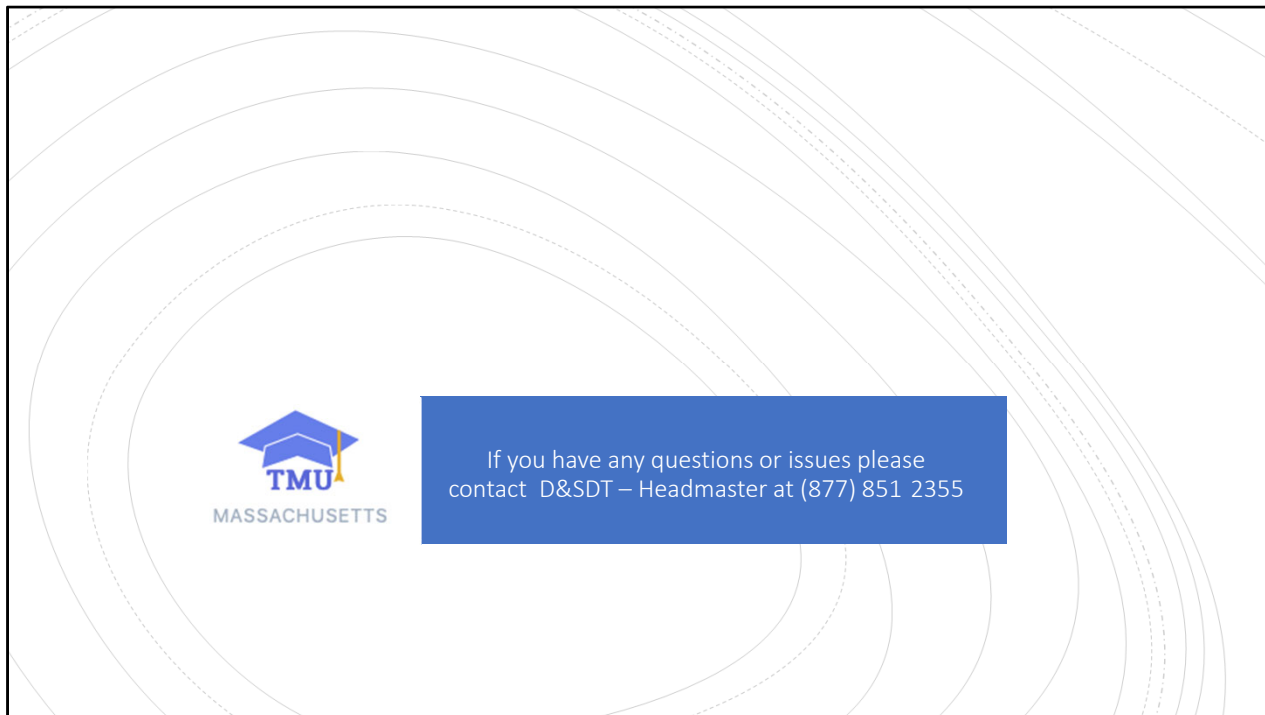

All the candidates that match the criteria will pull up like so.

To view an individual's certificate click on their name

Notice – If a person has a history of misconduct it will appear as it is in the bottom right-hand corner of the screen

This is the view of a candidate's certificate – A person can print it by clicking "Print this Page"

If you have any questions or issues, please contact D&SDT – Headmaster at (877) 851-2355
