INFORMATION SESSIONS

Throughout the year, information sessions are held regularly to acquaint prospective students with Suffolk's graduate programs and to give them an opportunity to meet with program directors and current students. For dates and information concerning the sessions, please contact the Office of Graduate Admission at 617.573.8302, or visit our web site at www.suffolk.edu/gradadm.

GRADUATE ADMISSION POLICY

The graduate programs at Suffolk University seek men and women from diverse educational and social backgrounds who have completed undergraduate work of distinction and who have earned a bachelor's degree from an accredited institution of higher learning.

Suffolk University selects its students and staff without discrimination on the basis of race, color, creed, national origin, gender, sexual orientation, or age.

APPLICATION INFORMATION/

THE GRADUATE ADMISSION COMMITTEE

The committee devotes extensive and individual attention to every application, and each candidate is viewed within the context of what he or she has to gain from and offer to the program. Entry-level, mid-career, and career-change applicants are all regarded as viable candidates.

GRADUATE ADMISSION CRITERIA

The major criteria used in the admission decision process include demonstration of intellectual and academic ability; potential for professional growth as revealed in the applicant's statement of goals and in the letters of recommendation submitted on his or her behalf; performance on a national standardized test; and evidence of personal qualities of motivation, maturity, innovation, and perseverance. None of Suffolk's graduate programs requires or presupposes a background in a specific undergraduate major or field of specialization.

PERSONAL INTERVIEW

Although evaluative interviews are not a formal part of the admission process for all programs, prospective graduate students may schedule an appointment with a member of the graduate admission staff to learn more about the degree programs and to discuss academic and professional objectives. Interviews are by appointment only. Appointments for general information may be arranged by calling the Graduate Admission Office.

Interviews are required for admission to the Executive MBA, Global MBA, and Finance programs. In the final stages of the application process, students will be contacted by the department to arrange an interview.

APPLICATION PROCESS

Applicants may apply to one program only for any individual start term.

To apply to any program in the Sawyer Business School, you must submit:

- A completed application and application fee of \$50 *This fee is waived for graduates of Suffolk University's undergraduate programs.*
- A statement of professional goals
- A second essay for GMBA students
- A current résumé
- Two letters of recommendation from either professional or academic sources, written on the recommender's own letterhead and sent directly to the Office of Graduate Admission
- Official transcripts of all prior academic work and proof of completion of the undergraduate degree. Coursework from one institution reported as transfer credit on another school's transcript does not constitute an official record. Failure to submit a transcript from each institution attended will delay consideration of the application. Transcripts should be sent directly by the reporting institution to the Office of Graduate Admission; however, a sealed official copy submitted by the candidate is also acceptable. Current seniors must submit a final transcript indicating the degree(s) earned by the first day of classes.
- Official GMAT scores for all MBA, Global MBA, MSA, MST, and MSF programs. GMAT or GRE scores are required of applicants to the MPA and MHA programs if the undergraduate GPA is 2.75 or below, and the applicant demonstrates less than three years of relevant volunteer or professional experience.

MSF for Attorneys program applicants must document that they have passed the bar exam.

Please keep photocopies of all materials submitted with your application.

GMAT REQUIREMENT WAIVERS

Applicants to the following programs may have the GMAT requirement waived:

- The Executive MBA program—however, under certain circumstances the program director may require the GMAT to improve the student's prospects for admission
- The MBA program if he/she has a CPA and an undergraduate GPA of 2.7 or above; has a CPA and 10 years' experience in the accounting field; or possesses a JD from an ABA-accredited law school
- The MSA and MST programs if he/she has completed five courses in the GDPA program and has a GPA of 3.3 and at least three years of relevant professional experience
- The MST program if he/she holds a CPA or professional certificate in a related field and has an undergraduate GPA of 2.7 or above, has a JD from an ABA-accredited school, or has a master's degree from an accredited school of management
- The JD/MBA program if an LSAT score is submitted
- The Accelerated MBA for Attorneys if an LSAT score is submitted
- The Accelerated MSF for Attorneys if an LSAT score is submitted

Please note: Candidates for the JD/MSF may be asked to take the GMAT in addition to the LSAT.

Candidates for the MPA/MS in Mental Health Counseling, MPA/MS in Political Science, and MPA/MS in Crime and Justice Studies degree programs must meet testing requirements for both the College of Arts & Sciences and the Sawyer Business School.

While it is certainly to the student's advantage to score well on a standardized test, it should be remembered that the examination by itself is not an infallible predictor of success in a graduate program. Test results are considered within the context of all other application materials, and there is no absolute score that precludes a candidate from receiving serious consideration by the Graduate Admission Committee.

INTERNATIONAL STUDENTS

All international applicants must complete the International Student Application on page six of the graduate application in addition to pages one through five. See further instructions on page six. For any additional information, visit www.suffolk.edu/gradintl.

DECISION NOTIFICATION AND ENROLLMENT DEPOSIT

The Graduate Admission Committee evaluates applications as they become complete and makes every effort to notify candidates of their admission decisions within four weeks of that time.

An admitted student who wishes to enroll must reserve his or her place in the class by remitting a \$200 nonrefundable deposit, which is credited to the tuition bill at the time of registration. Executive MBA students must remit a \$1,500 nonrefundable deposit.

Suffolk University processes checks electronically using the information on the check to create an electronic funds transfer. Each time you send a check, you authorize a one-time transfer of funds to be electronically withdrawn from your bank account. You will not receive your cancelled check, as Suffolk University is required to destroy the check after it has been processed.

International Student Information

Suffolk University's graduate programs welcome applications to our full-time programs from fully qualified international students.

- In addition to the regular application materials, international students whose native language is not English must submit an official TOEFL/IELTS score. To be fully admitted to any graduate program, the student must achieve a TOEFL score of 213 or above on the computer-based test, 80 or above on the Internet-based test with 17 or better on each sub-section, or 550 or above on the paper-based test. An official copy of the TOEFL results must be sent directly from the Educational Testing Service in Princeton, New Jersey, OR an official IELTS score of 6.5 (all subscores at least 6 or better) or above must be sent directly from IELTS. The TOEFL/IELTS requirement may be waived for international students who are permanent residents of the United States or who have received a baccalaureate degree from a US college or university within the past two academic years.

- International students must submit a Statement of Financial Resources (showing US dollar equivalents) certifying that sufficient funds exist to cover all academic and living expenses for full-time graduate study.

- Because of visa-processing regulations, the Office of Graduate Admission must produce I-20 forms by July 20 for fall admission and October 15 for spring admission. Therefore, international students who need I-20 forms must submit completed applications and financial information by June 15 or October 1.

- It is recommended that full-time international MBA students apply for the fall or spring semesters only.

- Once admitted, all students will automatically be reviewed for merit funds (including fellowships, if applicable). No additional reviews will occur based on subsequent testing. If you wish to retake a standardized test, please ask the Office of Graduate Admission to withhold an admission decision until that office has received the results of the additional test.

- International students seeking merit funding for a spring entry must complete applications and submit all application materials, including applicable testing, no later than October 1.
