Hi I'm Jasyn I'm from D&SDT – Headmaster. Today I'm going to show you how a trainer gets to their home page

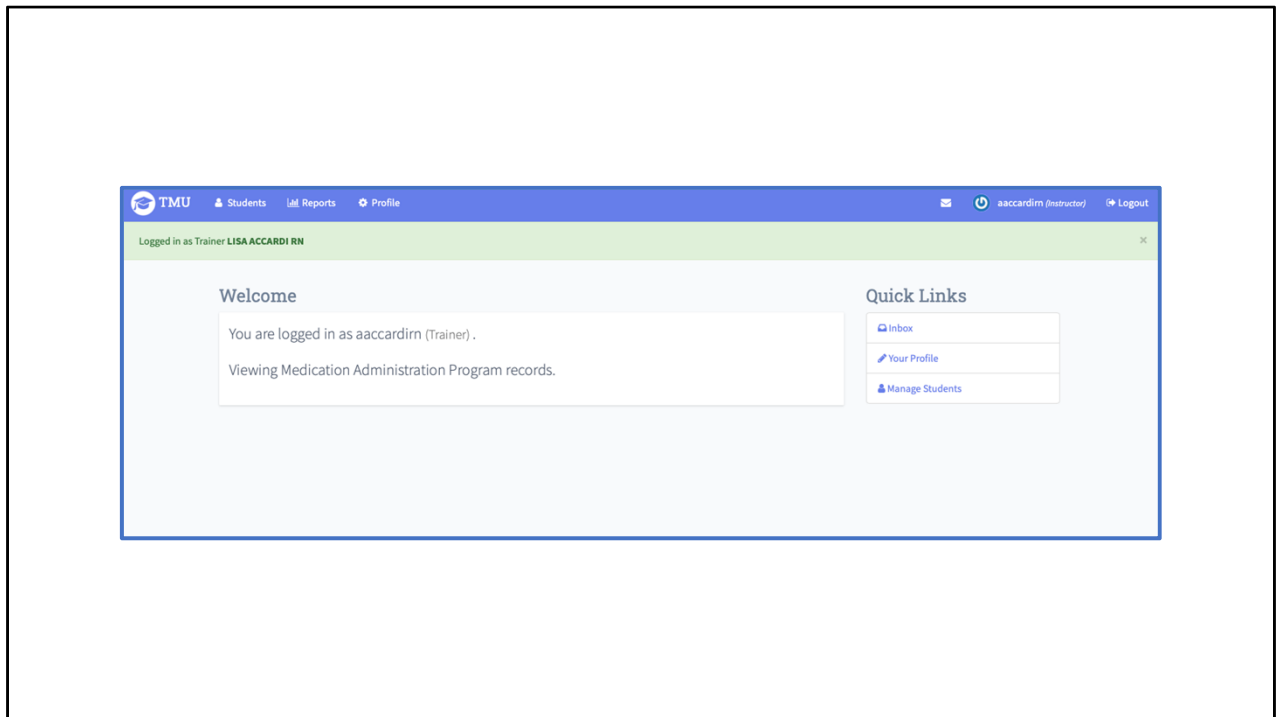

If they follow the link in the last screen, it will take you to this home page

To log in you'll click the 'Sign In' button in the upper right-hand corner.

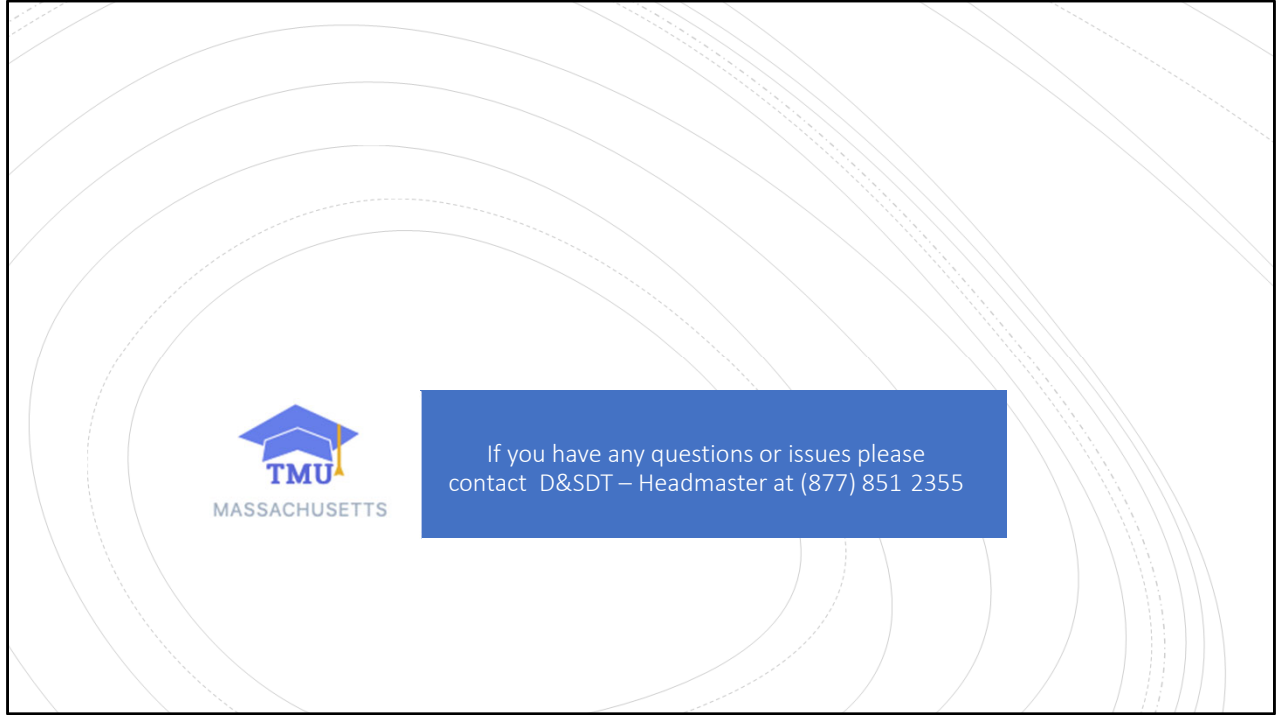

You will enter your log in information and click 'Sign in'

This is the home page for the trainer

From the home page a trainer can view students, reports, their profile, and manage their notifications

If you have any questions or issues, please contact D&SDT – Headmaster at (877) 851-2355
